

Know Your Health Coverage

Find Your Care

Cancer is hard enough - understanding your coverage shouldn't be!

Join us for a **free webinar on August 24 at 6 p.m.**, where you will receive practical guidance to help you navigate health coverage and learn about resources that may help reduce financial stress. This webinar is designed for patients with no private health insurance, including those with Medicaid (Medical Assistance), MinnesotaCare, or no health insurance.

Topics include:

- Medical Assistance and MinnesotaCare program overview
- Understanding health insurance options
- Key insurance terms
- Understanding notices
- Navigating care options, including primary care, urgent care, and emergency room
- Federal changes to Medicaid

Upon completion, every participant who attends the webinar will **receive a \$50 gift card** to help with everyday expenses for groceries or gas.

Hosted by Angel Foundation™ in partnership with Portico Healthnet

Angel Foundation™ provides financial assistance, education, and emotional support to adults facing cancer and their loved ones.

Portico Healthnet helps individuals and families understand their health insurance options and access the coverage and care they need.
